ELINT EVALUATION WORKING GROUP

Minutes of the Fourteenth Meeting held on 2 April 1968
CIA Headquarters Building

25X1

[redacted] CIA, Chairman

PRESENT:

DIA:

NSA:

AIR FORCE:

NAVY:

EXECUTIVE SECRETARY:

Lt. Colonel Arnold Friedman, USAF

Mr. Robert D. Hilbish

[redacted] NSA

ALSO PRESENT:

CIA:

1. The Minutes of the Thirteenth meeting were reviewed. [redacted] requested that the statement, "this does not appear to be a formidable problem, however," in paragraph 1 be deleted as there were still certain problems that have to be overcome in the methodology model. The Chairman agreed and requested that the statement be removed from the minutes.

25X1

2. [redacted] at the Thirteenth meeting presented a paper to the EEWG entitled "Methodology", which commented on [redacted] papers, "Comments on ELINT Evaluation Methodology."

3. The Chairman asked [redacted] from the Physical Sciences and Engineering Division (PSED) OSI, CIA, to brief the Working Group on a methodology being developed by the PSED. This methodology is used for evaluating and establishing priorities for the PSED's projects which are related to goals set forth by the Office of
